OUR VISION AND MISSION

To develop the Institute into a centre of excellence in technical education so as to produce the complete professionals satisfying the technical and socio-economic needs of the Handloom Sector and Textile Sector of Nation

- To create and sustain an environment of learning in which students acquire knowledge and learn to apply it with due consideration of the social and economic issues related to Handloom Industries as well as Textile Industries.
- To undertake Research and Development Programmes for its sustainable growth and maintain close liaison with the industry so as to enable it to face the changing technological and environmental global changes.
- To demonstrate accessibility, equality of opportunity and infuse motivation and high ethical and moral standards amid students.
- To create a better future for all people associated with Handloom Industries through the application of innovative ideas and resources.

Aims & Objectives

- To undertake experimental and research programmes.
- To create technical standard of training for the Handloom Industry and to conduct short term and long term training programmes for technical personnel to be employed in the handloom sector.
- To generate job opportunities in closest possible liaison between the Institutes and handloom production units.
- To facilitate quality placements and maintain employability for our students, who are professionally deft, intellectually adept and socially responsible.

Our Strengths

- Good Infrastructure
- Qualified, experience and easily-accessible faculties
- Effective teaching that enables students to understand and learn well
- Active placement and training cell
- Adequate encouragement for staff development

Syllabus

1st Semester:

- Mathematics – I
- Applied Chemistry
- Communication Skills in English
- Engineering workshop practice
- Applied Chemistry Lab.
- Sports and Yoga
- Communication Skills in English Lab.
- Environmental Science

2nd Semester:

- Mathematics – II
- Applied Physics
- Introduction to IT
- Fundamentals of Electrical, Electronics Engineering
- Engineering Mathematics
- Applied Physics Lab.
- Introduction to IT System Lab.
- Engineering Mechanics Lab.

3rd Semester:

- Textile Fibres
- Yarn Manufacturing Technology
- Handloom Weaving Technology
- Fabric Structure – I
- Chemical Processing of Textiles – I
- Handloom Weaving Technology Lab.
- Fabric Analysis & Costing Lab – I
- Internship

4th Semester:

- Programme Elective – I
- Weaving Technology – I
- Fabric Structure – II
- Chemical Processing of Textiles – II
- Textile Testing – I
- Colour Concept and Textile Design Lab.
- Weaving Technology Lab.
- Chemical Processing of Textile Lab - II
- Textile Testing Lab – I
- Essence of India Knowledge and Tradition

5th Semester:

- Program Elective – II
- Program Elective – III
- Weaving Technology – II
- Textile Testing – II
- Open Elective – I
- Jacquard Weaving & Computer Aided Textile Design Lab.
- Textile Testing Lab – II
- Minor Projects
- Internship – II
- Indian Constitution
- Seminar

6th Semester:

- Entrepreneurship and Start-ups
- Program Elective – IV
- Open Elective – II
- Major Project
- Fabric Analysis & Costing Lab – II
- Handicraft Textile & Handloom Tourism of India

Facilities:

Hostels:

- Separate Hostel for boys and girls
- Total capacity for boys – 40, Girls – 120
- Well furnished rooms
- High speed internet
- Purified water supply
- Common room with Television

Library:

- Availability of wide range of books
- Digital Library

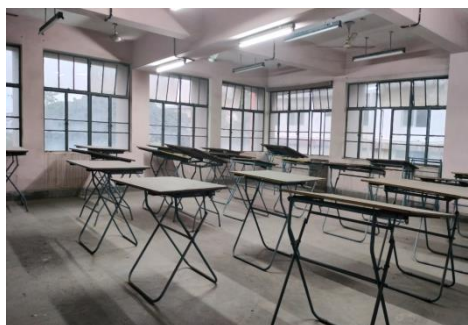

Smart Classrooms:

- Well decorated furniture
- Smart classrooms
- Audio-visual facilities
- Adequate space

Chemistry Lab

Engineering Drawing Lab

Weaving Lab
